3rd Floor Covering Materials and Labor

- Please apply protective covering as requested to the designated areas, including the synthetic marble flooring and Hall doors.
- Please use adhesive tape or another appropriate material to connect the pieces of covering material, taking care to ensure that the covering does not move.

*In any other instance in which protective covering is deemed to be necessary in the Hall, please proceed according to instructions.

*When necessary, we kindly ask that you work together with other guests in order to prevent any obstruction or disturbance.

*Please be aware that only a limited number of cards can be loaned out at any given time.

*In the event that any damage or staining occurs to any wall or floor, etc., while you are loading or unloading cargo, you will be billed for the cost of repairs and any other damages suffered by the Hall.
